REMARKS

Sir:

Applicant is filing herewith a divisional application with a specification that is identical to U.S. Non-Provisional Application No. 09/464,303 with the following minor exceptions:

Applicant has updated the related application information on the first page of the specification to add the parent application information.

Applicant is submitting a new set of claims in place of the original claims filed in the parent application.

Applicant has inserted two paragraphs beginning on page 50, line 3 immediately before the phrase "We claim:" to provide information regarding the ATCC deposits of hybridomas 3F8, 2A9 and hMBL1.2. These paragraphs are the same paragraphs as inserted in the specification of the parent application by an Amendment filed on January 22, 2002.

If the Examiner has any questions, he is encouraged to contact Applicant's representative at the number listed below.

Respectfully submitted,

Stahl et al., Applicant
